

# SEPTEMBER 2026 OREGON VALAIS PRICE LIST

Curly Cuties "Stars of the Fall"

Willoughby's Online Sale September 29th

5:00 am to 7:00 pm Pacific Time

<https://www.wlivestock.com/auction/34354>

Oregon Valais is excited to be partnering with Valais Blacknose Sheep of Washington State at an upcoming Willoughby's Online Auction 9/29/2026. Combined we are offering two Fullblood ram lambs, one Fullblood spitti ewe lamb, five F4 (93.75%) ewe lambs, two F3 (87.5%) ewe lambs, and one F2 (75%) ewe lamb. We are offering both spring and fall lambs at the sale. The fall ram and ewe lambs are old enough to breed this fall.

## Lambs

We lamb three times a year: fall, winter, and spring. We are currently lambing. These lambs will be weaned and ready for new homes in December 2026 and January 2027.

**Sire:** Cowboy Cool  
**Dam:** Y23-29

## Comments

Fullblood (100%) spring ram lamb, Wrangler Man sports all the bells and whistles for the show ring and barn. Bold leg markings, copious leg wool, and dark face markings make for a handsome ram. He has a straight back and broad square stance that we look for in our rams. We kept his twin brother, otherwise Wrangler Man would not be leaving home. Wrangler Man is eligible to be registered with all 4 Valais Blacknose registries in the USA. He is currently DNA parent verified and genotyped with Flock 54 and registered with the AVBSR and VBSS. We can assist the buyer with submitting the paperwork for VBSANA and VBISBAR to register him in all four (4) registries.

<https://www.wlivestock.com/auction/34354>  
**Sire:** Cowboy Cool  
**Dam:** OR04685-0451

## Comments

Jasper is F4 (93.75%) spring ewe lamb. Jasper has leg and wool to brag about. She inherited some brownish coloration from her Dam. Jasper has a sweet, friendly disposition. Her straight solid structure and inherited maternal instincts will make her a great breeding ewe for your F5 lambs. We kept her twin to preserve the lineage in our flock. Jasper is eligible to be registered with all 4 Valais Blacknose registries in the USA. Jasper is currently registered with the AVBSR and VBSS and DNA parent verified and genotyped with Flock 54. We can assist the buyer with submitting the paperwork for VBSANA and VBISBAR to register her in all four (4) registries.
